Re; Properly Abandoned Wells: Chi Operating Millman State # 1 &  
Ceder State # 1 sec. 11-21-27 ut. K

Dear Sirs;

June 12, 1997 I wrote to you about your Millman State # 1 well asking for a plan to bring it into compliance with rule 201. To date we have had no response From Chi Operating. You will notice in the above caption I have added your Ceder # 1 to this request.

Please send to the NMOCD Artesia office by December 1, 1997 your plan to bring these wells into compliense with rule 201. Failure to respond to this request will result in us asking our legal department in Santa Fe to schedule a hearing so you may appear and show cause why these wells should not be plugged.

Yours truly,

Tim Gum
