Re: West Indian Basin Unit Gas  
Com No. 1 G, 20-21S-23E,  
Indian Basin - Upper Penn.  
Gas Pool

Gentlemen:

We are, herewith, returning Form C-104 February 7, 1966, and February 14, 1966, which was filed for the subject well. The form is being returned for correction and addition of certain information. First, the lease name should be changed to "West Indian Basin Unit Gas Com" to comply with Commission Memo #2-65. Second, wells having split connections should show both transporters in the appropriate blanks on the same Form C-104. Due to the limited space on Form C-104, it may be necessary to show this information on an attached sheet attached to the same.

If you have any questions concerning this matter, do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
