13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The two oil tanks on the referenced battery were not capable of holding pressure, on the tanks, due to inadequate seals on the thief hatches.

New gasket material has been installed on the thief hatches. This appears to have corrected the problem.
