Re: Packer Leakage Test Failure
Desert Rose Fed #1 I-27-23S-23E

According to our interpretation the test chart on the subject well indicates a leak.

The leak needs to be repaired within the next thirty (30) days.

Please notify this office 24 hours prior to commencing repair work. If you have any questions please feel free to contact me at this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray Smith", with a long horizontal flourish extending to the right.

Ray Smith
Oil & Gas Inspector
