Dear Mrs. Cottom:

On June 15, 2001, a policy change regarding Application for Permit to Drill (APD) extensions was issued by the New Mexico State Office, Bureau of Land Management, as Instruction Memorandum NM-2001-33. We are returning your Sundry Notice requesting an APD extension as the APD has already received one extension and is not eligible for another extension.

You still have until the expiration date of the approved APD extensions listed below to begin drilling the wells. After these extensions have expired, you will need to resubmit new APDs. If you have any questions, please contact me at 505-234-5907.

NM-98156 Carbon Valley 13 Fed. #2 660\*/S & 660\*/W  
Sec.13,T.16S.,R.27E  
Last approved extension to expire on 08-27-02

Sincerely,

**/s/ Mary J. Rugwell**
