Dear Operator:

Reference our phone conversation on August 15, 2004 in which you advised me you were unable to complete the MITs tests that were scheduled on August 16, 2004. I advised you at that time that the tests were required to be completed by Friday, August 20, 2004.

Please notify this office at least 24 hours in advance.

Sincerely,

Gerry Guye  
Deputy Field Inspector  
District II - Artesia
