Dear Sir or Madam:

The Artesia District of the Oil Conservation Division on 18 March 2005, during a routine inspection, found a pit associated with the Salometh # 1. It is requested you immediately remove all free liquids. Use of the pit must be discontinued until a pit status is determined. Please provide this office with information of when and how this pit was permitted. Please have this information in the Artesia office on or before 1 April, 2005.

Your assistance in this matter is appreciated.

Van Barton  
Field Rep. II
