Mr. Arrant,

SLIDER 6 ST #1
30-015-34028

Please find enclosed the topographic and aerial photo maps for the proposed well location BP – Slider 6 State #1.

The well is positioned on both maps as per GPS coordinates, which are N 32 degrees 46 minutes 37.45 seconds, and W 104 degrees 12 minutes 36.47 seconds. Radius ring spacing is ¼ mile. The Radius of Exposure ring is labeled as 3000 feet and highlighted in red.

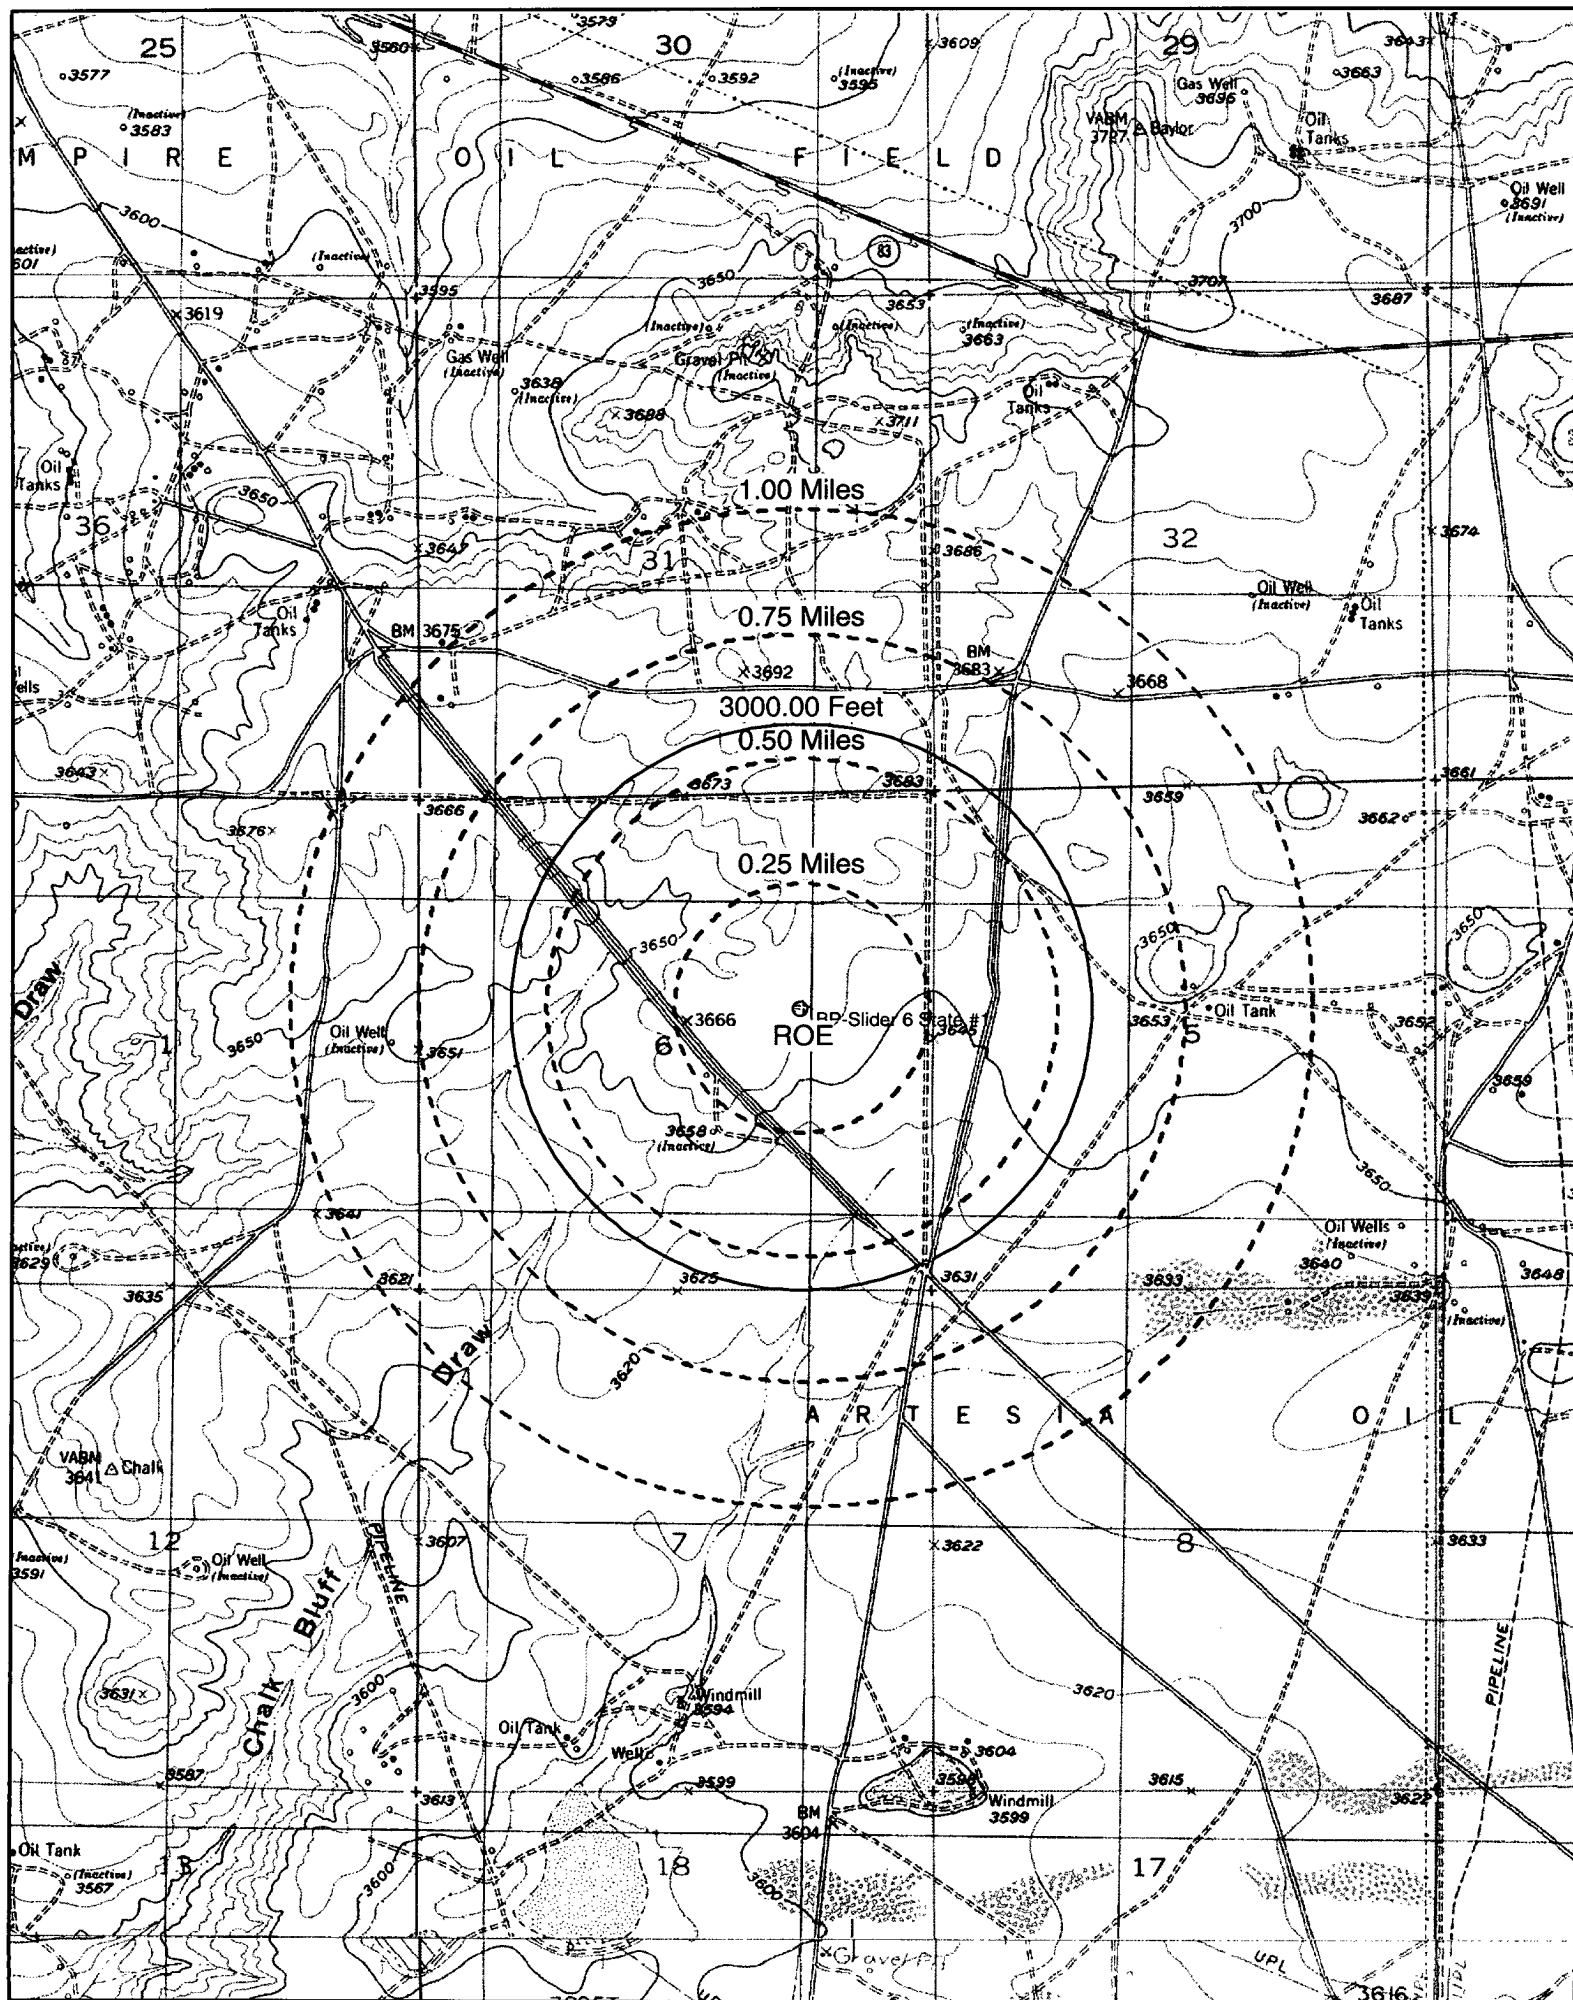

If you have any questions about the maps, or if there is anything else that you need, please contact me.

Sincerely,

Jerry R. Brian, REM
Geologist
505-393-6371
505-390-6149
