|-----------|---|--------------|
| MARBOB4 | We plan to complete this well in the Delaware and do not anticipate cutting any formations during the drilling of this well that contain H2S gas. Therefore we do not believe an H2S Contingency Plan is necessary. | 3/29/2005 |
| MARBOB4 | A directional drilling plan is being prepared now and will be forwarded to you as soon as available. | 3/29/2005 |
