13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Premier Oil & Gas Inc. respectfully requests a variance to the Reclamation due date of 3-27-2012 for the Dale H. Parke A Tract 1 #35. Premier will be doing Upper Yeso Completions in the respective well and will be completing these zones in the fourth quarter of 2012. We would request that the Reclamation due date be 6 months after those completions.
