Gentlemen:

30-015-35992

Your Application for Permit to Drill (APD) for the well listed below has expired because drilling has not commenced per Onshore Order #1:

<u>LEASE</u>	<u>WELL NAME AND LOCATION</u>	<u>ORIGINAL EXPIRATION</u>
NMNM2860	POKER LAKE UNIT 249 660'FSL & 660'FWL, SWSW, sec. 20, T. 24 S., R. 30 E., Eddy County, NM	December 12, 2009

If the well has not been spud, but site construction activities have occurred please contact Jim Amos at (575) 234-5909 for surface reclamation instructions. If drilling operations have commenced on this well send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies) to the BLM so we may correct our records.

If you wish to drill this well at a later date, please submit a complete application (1 original and 3 copies for each well) to this office. Since the original APD has expired, the resubmitted APD will be subject to all processing requirements including the \$6,500 application fee and the 30-day posting period. Please note on the resubmitted APD that they were previously approved and we will review the expired files for information which will help expedite the processing.

If you have any questions, please contact Jim Hughes at (575) 234-5949.

Sincerely,

For Don Peterson

Assistant Field Manager, Lands & Minerals
