### Remarks:

The abandonment reclamation of the Revelation 10M Federal 1 was begun in 2005 but never completed (see attached written order 05-RH-090). The location was never returned to the natural contours and topsoils of the surrounding terrain. Piles of caliche have been pushed up and left on the location. Erosion has begun to remove existing soils on both sides of the old pad. Sand topsoils brought in to cover the location have blown off. The location was never seeded or protected from trespass. The operator needs to address the reclamation issues of this location and bring the reclamation to completion. NOTE: Contact Terry Gregston, (505) 234-5958, three days prior to beginning work on this location and three days prior to seeding.

When the Written Order is complied with, sign this notice and return to above address.
