Oxy, respectfully requests an approval for a 30' pad extension on the v-door side (NORTH side of the pad). When the APD was submitted it was for a 150' v-door and now we need a 180' v-door. We changed our mud hauler and the type of trucks they use require a larger pad on the v-door side. Once the well is completed the additional 30' will be reclaimed.

The 30 foot pad extension will also be reclaimed at the time the pad is downsize
