13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

In compliance with the BLM letter received December 14, 2005, the Operator will reclaim the access road that was not built in accordance with the approved APD for this well. Said reclamation shall commence on or about January 23, 2006. At the same time, the Operator will construct a new access road in accordance with the approved APD. Operator shall notify the BLM (Richard Hill) at least 3 days prior to commencement of reclamation activities.
