Re: NMOCD Inactive Well List

Legacy Reserves; OGRID No. 240974

Dear Mr. Sparkman:

This letter is to inform you that your request to keep the following wells operated by Legacy Reserves (Legacy) temporarily off of the Inactive Well List (IWL) has been granted:

API #'s: 30-005-60858, 30-005-61347, 30-005-61354, 30-005-60978, 30-005-61100, and 30-005-61880.

These wells will remain off of the IWL until such time that Agave Energy completes their system upgrade to allow for the processing of the high nitrogen content gas stream.

If you have any questions, or if I can help you in any way, please do not hesitate to call. My email address is daniel.sanchez@state.nm.us.

Sincerely yours,

Daniel Sanchez
