13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work and approximate duration thereof. If the proposal deepens directionally or recompletes horizontally, give subsurface location and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirement, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection)

Devon Energy Production Company, L.P. respectfully requests approval to assume operations & liability:

Devon is the current lessee of federal lease NM-0543827 covering the Section 20-T23S-R30E, Eddy County, New Mexico. Devon has assumed operations of the Remuda Basin SWD #1..... effective June 1st, 2005. Devon intends to return the well to production at the earliest possible time. Devon assumes the liability for the plugging and abandonment of the Remuda Basin SWD #1 and will take custody of all downhole and surface equipment currently on location.
