| f this is a pit closure: (1) Attach a diagram of the facility showing the pit's rela  | •  |   |
| n place) onsite offsite If offsite, name of facility NA   | . (3) Attach a general description of remedial acti  | ion taken including remediation start date and end date.  |
| 4) Groundwater encountered: No 🗌 Yes 🔲 If yes, show depth below ground s  | surface ft. and attach sample results.   |   |
| 5) Attach soil sample results and a diagram of sample locations and excavations.  |  |   |
| Additional Comments: Registration for encapsulation trench. The drilling pit of   | ontents will be mixed to stiffen the pit contents. Enc   | capsulation trench will be excavated and lined with a 12  |
| mil. Synthetic liner on former drilling pit site. Drilling pit contents will then be  | emplaced into the encapsulation trench. A 20 mil. S  | Synthetic liner will then be placed over the pit contents |

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that the above-described pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines [], a general permit [3], or an (attached) alternative OCD-approved plan [].

with a min. of a 3' over lap of the underlying trench areas. The encapsulation trenches will then be backfilled back to grade using a min. of 3' of clean soil and like material. A one call &

Date: 09/02/2005

Printed Name/Title Mike Stubblefield / Regulatory Agent

Pit Closure actions to begin by NA. Ending date NA

Signature

Your certification and NMOCD approval of this application/closure does not relieve the operator of liability should the contents of the pit or tank contaminate ground water or otherwise

endanger public health or the environment. Nor does it relieve the operator of its responsibility for compliance with any other federal, state, or local laws and/or regulations.

Printed Name/Title

Field Supervisor

48 hour notice will be provided to the Oil Conservation Division before pit closure actions begin.
