13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work and approximate duration thereof. If the proposal deepen directionally or recompletes

Devon Energy Production Company respectfully requests permission to extend the TA status of this well for a period of one (1) year.

Devon is actively drilling in the area and each new well produces at high water rates initially before declining to a more modest level. As we are actively drilling, we are handling all of the water that we can. When our drilling program is completed, we can re-activate the Patton 6 Federal #5.
