## LETTER OF VIOLATION - Inspection

Dear Operator:

The following inspection(s) indicate that the well, equipment, location or operational status of the well(s) failed to meet standards of the New Mexico Oil Conservation Division as described in the detail section below. To comply with standards imposed by Rules and Regulations of the Division, corrective action must be taken immediately and the situation brought into compliance. The detail section indicates preliminary findings and/or probable nature of the violation. This determination is based on an inspection of your well or facility by an inspector employed by the Oil Conservation Division on the date(s) indicated.

Please notify the proper district office of the Division, in writing, of the date corrective actions are scheduled to be made so that arrangements can be made to reinspect the well and/or facility.

### INSPECTION DETAIL SECTION

| ARTESIA METEX UNIT No.017                                                                                                                                                                                                                                                                                                                                                                                                                                   |                  |              |            | N-24-18S-27E                 | 30-015-00947-00-00        |                |

| Absent Well Identification Signs (Rule 103)                                                                                                                                                                                                                                                                                                                                                                                                                 |                  |              |            |                              |                           |                |
| <b>Comments on Inspection:</b> Well sign is not legible. Contact NMOCD District 2 Office when a well sign that meets the requirements of OCD Rule 19.15.3.103 [NMAC] has been placed on location. Rule 103 requires that each sign shall show the number of well; name of property; name of operator; location by footage, quarter-quarter section, township and range (or Unit Letter can be substituted for the quarter-quarter section); and API number. |                  |              |            |                              |                           |                |

In the event that a satisfactory response is not received to this letter of direction by the "Corrective Action Due By:" date shown above, further enforcement will occur. Such enforcement may include this office applying to the Division for an order summoning you to a hearing before a Division Examiner in Santa Fe to show cause why you should not be ordered to permanently plug and abandon this well. Such a hearing may result in imposition of CIVIL PENALTIES for your violation of OCD rules.

Sincerely,

Artesia OCD District Office
