Thank you Mr. Mark Audas!

As I mentioned, the L-80 does pass our BLM Standards for both of these. Just get the Sundry documents to us as soon as possible so that we may approve the request.

Best Regards,

Kenneth Rennick

Pardon for an additional message.

But the Senior Engineer wants me to clarify more than my last message, that you are **approved to proceed** via this message with the new casing design for the 5H. Yet, you are required to submit a Sundry by tomorrow morning via WIS and notify me when you sent it.

Again please pardon me,

Kenneth Rennick
