INCIDENT OF NONCOMPLIANCE

Devon Energy Production Company
El Paso - 01
API 3001522084, T24S-R27E, Sec 29
December 11, 2015

This well's recorded activity has been inactive/shut-in for more than 30 days without authorization.

Devon's Notice of Intent approved by BLM 10/13/2014 ¶ 7) "Perform a casing Integrity Test to NMOCD Standards, if test passes turn over to drilling to deepen the well. If the test does not pass the deepening will be abandoned and the well will be P&A'd."

The sundry Subsequent Report dated 07/07/2015 by Devon clearly indicates that casing integrity below 1910' does not exist. The well has been in noncompliance since February 12, 2015.

Devon has previously committed itself to submit a notice of intent sundry to P&A the well for BLM approval. Use Form 3160-5 notice of intent filed via BLM's Well Information System; <https://www.blm.gov/wispermits/wis/SP>. File that form before 02/01/2016.
