Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

DCP was performing critical tasks at the Artesia Gas Plant that required us to shut down. They originally were only shutting us in for 1 day, but came across unforeseen issues and forced us to shut in another day. Fasken is asking for a 90 day permit to flare casinghead gas. This well will flare 10 mcfpd. See attached e-mail.
