NM OIL CONSERVATION
ARTESIA DISTRICT

SEP 16 2016

RECEIVED

LETTER OF VIOLATION
Delinquent Regulatory Filings

Dear Operator:

Oil Conservation Division ("OCD") records indicate that you failed to file the required reports identified below, or that your filings were incomplete or inaccurate.

NON-COMPLIANT WELL DETAIL SECTION

TOP GUN FEDERAL SWD **No.001** **Location: 18-23S-27E** **30-015-31075-00-00**

Original Well Type: Salt Water Disposal Well

Well Status: Active

Determination or Violation Date: 9/8/2016

Delinquent Report or Filing(s): - Sundry Notice - C-115 Production Report - Other Monitoring and Reporting Violation

Comments: BLM 3160-5 filing does not match c115 reporting regarding injection volumes and pressures. 3160-5 states "4/29/16 SWD-1561 Began injection w/6000 BPD @ 0#." C115 reporting shows no volumes for April. Correct the 3160-5 or your c115 reporting. Also submit a copy of your injection volume and tubing pressure monitoring for this well for April and May of 2016.

CORRECTIVE ACTION ON THIS WELL DUE BY: 10/8/2016

Please file or correct the reports identified above by the corrective action due date indicated. If you fail to file or correct the reports by that date, the OCD will take enforcement action that may include but is not limited to applying for an order assessing civil penalties and/or requiring you to plug and abandon the wells associated with those reports.

Thank you for your prompt attention to this matter and your efforts in helping to protect our environment and the infrastructure of the oil and gas industry.

Sincerely,

Artesia OCD District Office

Richard Innes

*C-115 has been corrected
by Cheryl Little.*
