### Lotos Federal 4 Site Reclamation

This notification is to request an extension on the reclamation of the Lotos Federal 4 well site. Well has been P&A'd and the pumping unit has been removed. The current due date for the reclamation of the site is 10/01/16. Being that the nearby battery is still in service and has multiple wells producing into it we would like to wait and reclaim the Lotos Federal #4 pad along with the Lotos Federal 4 CTB once the last well producing into the battery has been P&A'd.
