13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

A Sundry Notice requesting a permit to Plug this well was approved on 3/17/2016 with a deadline to plug the well by June 17, 2016. To date this well has not been plugged. Marker Oil is not currently authorized by the NMOCD to be operator of this well and we are currently trying to get the issue cleared up.

We respectfully request an extention of the permit to plug this well through December 31, 2016.
