13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Canyon E & P Company is the operator of record. They filed for bankruptcy and are no where to be found. Chevron is the master lease holder. By virtue of a previous agreement with Chevron, Penroc Oil is responsible for this well. Penroc Oil plans to return this well to production within 60 days. A follow up report will be submitted within 5 days of return to production.
