RE: Change of Pool

Dear Pete:

Effective December 1, 2003, at the request of the Oil Conservation Division-Artesia, Mack Energy Corporation changed the pool for all of the Red Lake Sand Unit wells from Red Lake;Queen-Grayburg-SA (51300) to Red Lake;Shores Grayburg (97335). This is effective for all wells within this Unit. Attached is a current list of all wells producing and injection within this Unit.

If you have any questions or need additional information please don't hesitate to call. Your prompt attention to this matter is greatly appreciated.

Sincerely,
Mack Energy Corporation
