13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Per the Notice of Written Order (Number 17M08W), the Corrective Action has been completed: Removal of gas riser and vent pipe, cut off below ground, flush and capping of out of service pipe. With the corrective actions completed, the reclamation work has been completed. Abo Petroleum Corporation respectfully requests final abandonment approval and the release of liability under bond. All Abo requirements for reclamation have been met.
