13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

BOPCO, LP respectfully submits this sundry notice to request interim reclamation on the referenced well be delayed.

Accepted for record - NMOCD

Interim reclamation has been postponed to allow for drilling of additional additional wells from this pad.

Accepted for Record. However, 3+ years and no activity to drill on loc. Need to down size. If something is in the works submit supporting record.

14. I hereby certify that the foregoing is true and correct.
