Good morning Bob,

I am sending you this e-mail to inform you that Willie Wolfe with EOG Resources has contacted us to remove poles and wire supplying power to the Woodchuck ABW State #1, the Cacti AGB #01, and the State CO #1 SWD. We are a little backlogged at the moment and have many other retirements to complete, but I have set these retirements into our queue and will schedule them for retirement along with other jobs we have in those areas.

Thank you,

Rory Watts
