Re: Request for Exception to Rule 107J  
Tubingless Completion  
Scoter 6-31 Federal Com #43H – 30-015-45265  
Eddy County, NM

Dear Sir:

Cimarex Energy Co. respectfully requests an exception to NMOCD Rule 107J, well tubing requirements. Cimarex request a tubingless completions for our Scoter 6-31 Federal Com #43H well to allow for greater flowback after frac stimulation.

Cimarex plans to install production tubing as soon as flow decreases.

Thank you for your consideration of this request. Please feel free to contact me if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Terri Stathem", written over a large, stylized circular flourish.
