RE: Application for Unorthodox Location
State "AZ"
Well No. 4
Eddy County, New Mexico

Dear Mr. Stogner,

Wiser Oil respectfully requests administrative approval for a non-standard location order for the subject well based on geological considerations. The well is to be located as indicated on the attached NMOCD Form C-102. This application includes maps. The well is staked at an unorthodox location.

Under the provision of NMOCD Rule 104.C & 104.F. (1) & (2) we seek this approval to facilitate the effective production of reserves within the State A Lease. Wiser owns 100% working interest in and is the operator of this lease. The proposed location is near the Western boundary of the 160-acre tract, which means that no offsetting operators will be directly affected. As such, no Affidavit of Mailing was prepared, however, a copy of this letter and application will be provided to the State Land Office. The list of operators of all spacing units surrounding the area of interest is attached.

If any additional information is needed, please contact me at the letterhead address or telephone (505) 392-9797.

Sincerely,

Mary Jo Turner
