RE: GJ West Coop Unit #146 (formally the Stagecoach State #1)
API #30-015-35236
Sec 16, T17S, R29E
Eddy County, NM

Dear Mr. Gum;

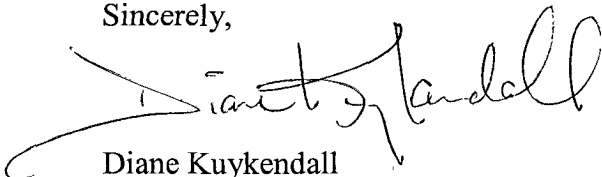

The above referenced well was originally completed as the Stagecoach State #1 and according to Bryan Arrant he informed us that the pool code should be 97558 GJ: 7RVS-QN-GB-Glorieta-Yeso and not pool code 96610 Empire; Yeso, East per R order #3127-C and 3127-D. Our C104 was corrected by Bryan, but the C105 and C103 were not updated to reflect the correct pool code.

Back in June and July Jane Prouty made the pool code change from pool 28509 to 97558 for all the GJ West Coop Unit wells. Yet the GJ West Coop Unit #146 did not get changed. I have sent several email concerning this well and I have not heard back.

I thought the pool code change would have been handled administratively but to be on the safe side, I'm attaching an amended C105, C103 and C104 with pool code 97558.

If you need further information, please contact me at 432-685-4372

Sincerely,
