4-173-282

This is to notify you that the corrective action is completed on this well.
We tore down the tank battery and hauled off old tanks. We dug out contaminated soil and hauled off. Had to repeat twice before we got good soil. We then fill back in with clean soil, lined it with 20 mill plastic and set new tank.
See attached analytical.

Thank you,
Sonny Mann

PLEASE NOTE, Liability and Damages. Cardinal's liability and client's exclusive remedy for any claim arising, whether based in contract or tort, shall be limited to the amount paid by client for analyses. All claims, including those for negligence and any other cause whatsoever shall be deemed waived unless made in writing and received by Cardinal within thirty (30) days after completion of the applicable service. In no event shall Cardinal be liable for incidental or consequential damages, including, without limitation, business interruptions, loss of use, or loss of profits incurred by client, its subsidiaries, affiliates or successors arising out of or related to the performance of services hereunder by Cardinal, regardless of whether such claim is based upon any of the above-stated reasons or otherwise. Results relate only to the samples identified above. This report shall not be reproduced except in full with written approval of Cardinal Laboratories.
