13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

7-1-2008 Corkran Energy would like to request another extention to the Notice of Written Order 08-PE-024. The said well is still in completion and anticipated to be in completion for approx. 2 more months. Reclamation and pit closure will be done when the completion is finished.

A copy of the original extention is attached.

** Interim Reclamation to be completed within 6 months of completion*
