RE: Ross Draw Unit #28
C-104 Amended Report

Dear Mr. Arrant:

Enclosed is an amended C-104 report for the Ross Draw Unit #28 in Eddy County New Mexico. This amendment is being made due to the Pool Name. The correct pool name for this well should be the Ross Draw – Delaware. Rather than the Ross Draw – Delaware – East as originally filed. All other correspondence and regulatory filings have been filed as the Ross Draw – Delaware which this C-104 should have been filed as the same.

Please accept our apology for not submitting the correct information the first time. This was not realized until the New Mexico Taxation and Revenue Department brought it to our attention. Should you need further information regarding the subject well in order to process the amended C-104, please let me know in order that we can address any questions or concerns as soon as possible. A copy of this corrected report has been mailed to the appropriate BLM office as well.

Thank you,

Bobbi Brice
Regulatory Clerk
