Center Sixteen SWD #1 (API No. 30-015-33450)  
2640 FSL, 2640 FWL, Sec 16, T25S, R28E, NMPM, Eddy County  
Injection into the Delaware formation from 2,820 to 6,150 feet

Gerry Guye, Deputy Field Inspector  
NMOCD-District II ARTESIA

You have submitted a request on behalf of Marbob for an extension of this injection permit beyond the one year deadline to commence injection for the reasons outlined in the attached correspondence.

The Division finds that granting Marbob's request to extend this injection permit beyond the normal one year is in the interest of conservation and will prevent waste and protect the environment.

All requirements of the above referenced injection permit remain in full force and effect except that the deadline to commence injection is hereby extended until August 1, 2009.

Sincerely,

MARK E. FESMIRE, P.E.  
Director
