Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

BEPCO L.P. respectfully requests the change listed below be approved for the captioned well:

The well will be drilled utilizing a closed loop mud circulating system without a reserve pit being utilized or built. All water or mud used as a drilling fluid will be cleaned and recycled or trucked to an approved disposal site. All drill cuttings will be collected and trucked to an approved disposal site.

Attached is a schematic of the well size location utilizing the closed loop system.
