Dear Mr. Arline,

Concerning your letter for the above noted well, requesting that the Oil Conservation Division change the pool from the Loco Hills; Paddock to the Cedar Lake; Yeso, we are unable to fulfill your request.

R-Order 11384 extended that pool back on May 18, 2000, extending the southwest quarter of section 14. Additionally, there are other operators (Mack Energy Corporation) that has wells completed in this zone.

Yours truly,

**Bryan G. Arrant
