Dear Ms. Wilson:

APD # 30-015-24426

This letter is to advise you that the two wells in your letter, the Fox #1 and ~~Fox #2~~ are being evaluated to see if they can be returned to production.

May we have another 30 days after September 24 to review the wells, see what it would take to return them to production or decide whether they should be TA'd or plugged? We would appreciate your assistance with this.

Please let me know if you have any questions. My direct phone number is (918) 392-3242.

Cordially,

Megan T. Wondaal
