13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Forest Oil Corporation is respectfully requesting permission to recomplete the Skelly Unit 181 to the Seven Rivers and return the well to production. The well is completed in the Grayburg/San Andres and has been shut-in since 2003. The former operator removed the production equipment from this well. A capital expenditure to replace the production equipment will be requested in November. This work should be accomplished in December 2009.
