13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work and approximate duration thereof. If the proposal deepen directionally or recomplete

Devon Energy Production Co, LP respectfully submits the following information in response to 3162.4 (LLNMP0221) NMNM97120. The two catchments have been addressed and repaired as requested: The netting on the first one has been lifted and stretched out over the fluid, and the second one has the netting on it now, and the remains of the dead bird have been removed.

The pipeline road has been blocked off and the access road to the location is being utilized as it was permitted. The pipeline has been reclaimed and seeded with #3 seed mix.

The reserve pit has also been reclaimed by reseeding with #3 seed mixture to prevent any further erosion channels.

* Compressor & Battery removed. Need to remove concrete & posts and remove base gravel & plastic from tank area. May be able to get additional downsizing.

14. I hereby certify that the foregoing is true and correct
