13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

RE: Order # 04-072-10W

As per my conversation with Mr. Ernest Jaquez we have completed the following items to finalize the abandonment of this lease.

All surface equipment, gas lines, etc have been removed from this location.

Bare areas of the location and road leading to the pad have been tilled and seeded. Berm has been installed at the start of road to location.
