Attention: Mr. W. J. Baden

Gentlemen:

Reference is made to your request of July 7, 1960, relative to additional time to negotiate the conversion of the Chav-Linc Oil Company - Leticia-Rama Well No. 1 to a water well.

Your request that United States Fidelity and Guaranty Company be given until August 15, 1960, to explore this matter further is agreeable to the Oil Conservation Commission.

Once a landowner has executed an affidavit of responsibility for conversion of a well to a water well, and, if necessary, the well has been plugged back to the base of the water zone, the Oil Conservation Commission has no further interest in the matter. The landowner can actually convert the well to a water well when and if he so desires.

Very truly yours,

OLIVER E. PAYNE
Special Assistant Attorney General
