Re: Form C-101, Notice of
Intention to Recomplete
the Buffalo-Loderick No. 1
Well (Formerly Warman et al
No. 1 Sibert) NE NE Section
27, T-13-S, R-24-E, Chaves
County

Dear Sir:

There seems to be some question as to the exact footage location of this old well with relation to the outer boundaries of the section.

In order for you to be in compliance with Rule 1104 of Commission Order R-722 issued November 21, 1955, I have enclosed herewith a set of Forms C-128, Well Location Survey Plats, and suggest that you have the location of the well properly surveyed by a registered surveyor and the plats submitted in triplicate to this office. At such time as the survey plats are received in proper form, your notice of intention to rework the above captioned well will be approved.

Yours very truly,
