Cooper Building,  
Denver, Colorado.

Attention David Jacobs, Manager

Gentlemen:

This is in reply to your letter of  
April 9th, 1931 with regard to the bond covering the  
L. B. Tannehill Well No. 1 in Sec. 15, T. 12 S., R.  
24 E.

I find in our files a "Notice of Intention  
to Drill New Well" covering this well under date of  
December 21, 1928 and also "Operator's Monthly Report  
of Operations" for March and April, 1929. There is no  
record in this office of the abandonment of the well.

I am taking this matter up with Mr. Jas. P.  
Sullivan, State Oil and Gas Inspector for southeastern  
New Mexico and I am asking him to render a report on the  
status of this well. As soon as I receive further  
particulars, I will advise you. In the meantime, the  
bond, in question, should not be cancelled.

Very truly yours,

E. H. Wells,  
State Geologist
