Mr. James P. Sullivan
State Oil & Gas Inspector
Hobbs, New Mexico

Dear Mr. Sullivan:

I am enclosing a letter from Etz Brothers in regard to the bond covering the Tannehill No. 1 Butler well, which is accompanied by an affidavit of the driller who plugged the well.

Please give me your version of this plugging and advise if the bond should be released at this time. Please forward this correspondence and your reply to me at Santa Fe at your earliest convenience. I will probably be in Santa Fe Monday, May 25, at which time I hope to be able to close the matter.

Very truly yours,

State Geologist
