Re: Blackwell No. 1, Sec. 20-  
10-25E, and Cannon No. 1-A,  
Sec. 17-10-25, Chaves County,  
New Mexico

Dear Sir:

I am writing you in regard to two wells you drilled in Chaves county, New Mexico. Blackwell No. 1 in SE-SW of Sec. 20-10S-25E form C-101 (Notice of Intention to Drill) was approved by this office September 26, 1960. Cannon No. 1-A in NW-SW of Sec. 17-10S-25E form C-101 (Notice of Intention to Drill) was approved by this office October 4, 1960.

We have not received any reports on these wells since that time. Will you please submit these reports at once? Use form C-103 on each string of pipe run: (how much pipe, which size, how much cement used on each string). We also require form C-105 (Well Record) five copies, and one copy of all electrical and radio-activity logs run on the wells.

Very truly yours,

OIL CONSERVATION COMMISSION
