Dear Sir:

Enclosed please find forms C-102 and C-103 on the above-captioned wells that are being returned for some additional information.

On form C-102, state the length of time that you desire to temporarily abandon these wells. On form C-103, give the total amount of cement used, the waiting on cement time, and the results of casing test, including actual pressure held on pipe and the pressure drop observed. Also, if the above cementing was witnessed by a representative of the State Engineering office, please so state.

Very truly yours,

Dear Sir:

Enclosed please find forms 0-102 and 0-103 on the above-captioned wells that are being returned for some additional information. On form 0-102, state the length of time that you desire to temporarily abandon these wells. On form 0-103, give the total amount of cement used, the waiting on cement time, and the results of casing test, including normal pressure held on pipe and the pressure drop observed. Also, if the above cementing was witnessed by a representative of the State Engineering Office, please so state.

Very truly yours,
