Re: Elliott-Fed. Lease,  
Well No. 1, Unit E,  
Sec26-10S-25E, Chaves  
County, New Mexico.

Gentlemen:

In regard to Form C-104 and C-110 submitted to date on the above-captioned well, we are in question as to whether there is such a well in effect. In checking our records, we find your German Federal No. 3, Sec. 26-10S-25E, Unit E, 1650'N/660'W, Chaves County, New Mexico. We are wondering if these forms could possibly be for your German Fed. lease instead of Elliott Federal, due to the fact that we have no information concerning this Elliott Federal lease.

Please advise as soon as possible in order that your allowable for this well may be assigned.

Very truly yours,
